Rakan.

Morn'.

Mmm.

I'll get them after school.

Okay.

Hey, can I order flowers today?

Yep.

Morn

Morning, Rakan.

Is it Imamare's birthday today?

Oh, Takahashi.

Morning.

Giving flowers to your girlfriend?

Hi, Takahashi!

So, which flower do you want?

Rakan, help me choose.

I absolutely have no taste.

Oh, then I'll choose a rose bouquet for you.

A special day.

# SILVER DIAMOND

I like her virtues.

I pick Kai Shoya. (?)

Then, what female idol, for example?

I pick Kafuji Ai. (?)

There're too many people, I can't tell them apart.

There are about fifty of them?

*Too many.*

There aren't that many.

*How did you count?*

What about the girls in that school?

What type do you like?

For example, what idol?

Idol?

Umm, probably those who aren't so eye-catching.

That type of girls can't even become an idol.

My grandpa always told me to 'treat girls gently'.

So you treat girls gently?

*Liar.*

That doesn't mean you can cheat guys.

Never thought you would say such things with a face like that.

When you give this to a girl, have a bashful face.

*It's very suitable.*

*How deceptive.*

*I honestly have no idea, it's probably understood in Japan.

*that girl from the drama.*

Oh yeah, I like...

Rakan, what about you?

Imamare is Imamare, Kafuji is Kafuji!

Hey, what about your Imamare?

Why, standards too high?

It's not like that...

This fellow rejected them all.

*How wasted.*

No...

How come you have no girlfriend?

Many girls offered, right?

*I know about all of them.*

Oh, a girl who played a minor role in a show I watched not too long ago...

*I don't know her name.*

*There aren't any I like especially...*

...Female idol?

What type?

Umm, if I really have to choose...

Ah, it's been a while!

哇，好久不見了！

So many questions!

多麼慘的題目啊！

TALK

現在最想見到的人物是？

（為第一次見到這些人物的讀者所做的說明）

・我從以前就喜歡光頭。

・以前，我曾經毫不客氣地大量製造了光頭人物。

・我也很喜歡給光頭描邊。

# 夢之國
*Rakan's dreamworld*

This is, Rakan's dream,

The world Rakan grew up in.

Now, I understand more clearly than before,

what Rakan says when he is here.

This world, really has no danger.

So, you don't have to follow me to school.

*In this world, you won't meet any dangerous things.*

Moreover, it's very beautiful...

.....

*That is..*

I'm trans-parent ...

*Rakan's 'school' friends...*

It's because, I'm not part of the dream.

I sympathise more and more with Rakan.

And his fetishism.

He 's completely unable to keep up with the times.

What fetishism ?!

*If he's like that, it's no use even if he had a girlfriend.*

God was fair when he created Man.

You guys are so noisy!

That's right,

They grew up with him...

In this world, Rakan has many friends.

Rakan...

looks very happy...

A prick

For once, feel those emotions?

I can't be this way..?

Why is it...

http://cebuys.com

櫻花傳說

Thanks, Rakan!

Imamare will be very happy.

Really? That's good.

A recent DVD.

The present?

Don't worry, I brought it.

Ah, it's really a bouquet of roses.

This kind of expression is weird enough.

TWO MEN + ROSES

For you,

Takahashi.

I helped you wrap it up very cutely.

Oh...

It's been a long time, since I've felt this way.

This kind of feeling,

Aren't you very depressed?

how should I say this...

Ah, that's right.

This is "depression".

.....

http://ccboys.com

I don't take it to heart anymore.

But ...

I'm like anyone else; I feel lonely.

Going home to a house with no one,

...But,

I don't think I am living such a lonely life ...

The neigh-bours are also friendly people ....

When I go to school I have friends.

And child-hood games.*

An independent lifestyle is happy, moreover,

*literal translation

Hey, wait!

Manga.

What're you buying?

Going to the book store.

You, Murakami ?

Want to walk to the next stop today?

Um, I have to go to the supermarket.

BOOK

Yes, I'm back.

Ah, Rakan, You've returned.

Though as much as I like them,

why is it...

It's not that I don't have an interest in these things...but,

I like most people,

How do I say this...

choose one I liked the most and go out with her.

Since I feel 'lonely',

I thought I would, from all those girls that confessed to me,

'one person alone'...?

I identify myself as

Why is it...

!?

Why is it I...

can't 'choose one'?

That,

simply put,

what is it?

This sudden feeling

un expectedly developed

This ...

Or is it since,

never had this problem. Furthermore,

The old me,

I feel a little ouf of place in this world.

This sudden feeling

Mother, gramps are no longer 'around' ...

And it's not because ...

It's not because of that memory.

He said that Rakan...

is having a 'dream' about the other world?

.....

Yes.

extra pillows

Did Rakan really...

...regret?

Regret that he came here...

Today,

We're still fine, but...

we were unsure if we'd run into any situations.

The uncle in this house

was quite right,

For Rakan,

Whether it's walking in this kind of desert or dealing with Kinrei and the ayame,

those are all difficult things...

but it's starting to take a concrete form...

It's just like that sudden feeling I had,

Chigusa!

.....

Chigusa, this is...

Is he sleeping?

He said 'I leave my body behind'.

Should be that he lost conscious ness.

Pine leaves,

Ah...

That room, how wonderful.

He's in that room?

tange rine,

maho gany,

hyacinth.

dogwood,

holly,

yama buki*,

*yamabuki Japanese yellow rose

Go!

How do we accomplish our mission?

But, if we do so,

then do you want to let Rakan stay here?

Touji.

That's correct.

I don't want to...

Agreed

Sigh, what should we do...

Since it's not human, it can't be opened...

From that window?

Locked

It's latched.

Is it closed?

!!

First make sure if it's here to kill us.

The moment you see it?

whatever it is, I will kill it.

I'm going out to look around,

Touji, keep watch on the two of them.

Creak!

That's right.

There's a disturbance in the air outside.

It's not in the room.

It shouldn't be a human, right?

Mm.

It's coming from here.

What a soft sound.

Kou!

Yes!

Where?

What is it?

...Bird?

!?

Huh?

...Leaves?

*Has he realised?*

*Ah,*

Ah, this is a dream?

Oh, I went to that world...

Back in the desert?

Is it?

Weird.

Yes, right now,

And there's Narushige, Touji and Kou..

I should be with Chigusa.

That's right, this isn't reality.

Right now I am...

The surroun dings...

!?

is changing...

*The dream's land scape*

Chigusa...

This is... uwah!

The first time I saw Chigusa...

...Huh?

Eh?

'Chigusa'?

Me in Rakan's dream?

That is...

Seems like a doll...

!

Rakan!

The surrounding landscape is

changing yet again...

My reality ...

!

Right, that is...

Ah,

This is the pro-war

person.

I have an enemy.

*Little brother.*

You wanted to...

leave because of us?

Rakan.

Rakan.

Hi!

Hi.

Rakan.

Rakan.

Why did you have to go to another world?

Why?

Rakan.

!?

What is that noise?

!

Gone to that kind of world

Going there

Did you want to go?

Why did you go?

Oh

Did that come from Sanome-sama's room?

What?

Sanome sama?

Aim for their heads.

They will come back!

Okay!

Seems related!

Are those like the stone creatures?

Leaves...?

Are those leaves?

Karaku?

She's not human.

Her ears...

.....

!

She's not a human child!

I tell you not to bring those creatures back.

Karaku,

The sanome has appeared.

Yes, just like the dream. ..

What're you trying to do? This teen is Sanome sama.

Karaku, you did this, right?

This is...

!

!?

This seems to be...

Karaku?

That fellow...

It's the doing of Karaku!

Father, over there.

She's there.

Are you nearby? Show yourself!

Oi, Karaku!

What are you saying! How can it be...

Stay here.

I will make this Sanome .....

Why not use him for ourselves?

Since it's the Sanome,

Karaku?

holly, yama buki,

hya cinth.

dog wood, tange rine,

maho gany,

Pine leaves,

Repeat one more time.

* tera transiat on'

In the name of a 'cicada's pelt', appear once more.*

Stitches, be stitches again.

Unwith ered leaves, continue to rise up again.

You are birds that cannot die.

You wanted to throw us aside?

Will you forget us?

Every one...

You wanted to abandon us and go?

I...

You don't want us anymore?

What about us?

*sorry*

...sorry!

What about us?

I'm...

Everyone...

Rakan.

You wanted to abandon us and go?

Don't like us?

Is it that you...

How...

How can that be the reason ...?

Rakan!

...
Chigusa
?

..Huh?

Oi ..

What's going on?

Wait, this is a dream...

Chigusa!

Wait, put me down!

But ..

*Where re you going!*

He came at such a suitable time...

However,

I will take good care of him!

I want to forcibly take him away.

Sorry,

Have you regretted coming to Amato Empire?

Have you regretted?

I wanted to ask you, 'can I really take you away'?

But, I didn't ask.

Because I was scared Rakan would change his mind

Before you could say 'I don't want to go after all',

I quickly brought you away.

By doing that,

I'm in the wrong

Huh?

I was thinking, of asking you about that.

Actually?

?

Actually, when I was taking you away,

... Chigusa.

*This is a dream*

But ...

Sorry, Rakan.

The reason I entered here, was because I wanted to ask you...

Truth be told,

Huh?

'entered'?

?

'here'?

Do you want to return to that world?

I...

Rakan,

Chigusa.

How should I say this...

I want to ask you...

Should I let you go back to the other world?

The feeling to 'take you away'

was stronger than anything else.

Now,

Even in

a dream,

I still tried to take you away; that's how strong the feeling is.

Sorry...

I selfishly thought this way.

I'd not let you regret and it would be okay.

I thought that as long as I protected you,

Now,

I realise,

I took away

it was the'wrong thing to do', but still...

At that time,

I clearly knew...

had even...

less...

emotion.

'the world he grew up in',

and

his friends

The me at that time,

as compared to now,

This is my dream?

Why did I...

Huh?

How could I,

let you say these kinds of things?

have this kind of dream?

Will you let me go?

If I say I want to go back,

.....

This...

No, wait, don't say it!

.....

Cover.

Wah, I'm so angry with myself!

Although it's a dream, does it mean I've decided to push all the responsibilities to Chigusa?

Really...

what kind of dream is this?

Ah, quickly wake up!

Quickly wake up!

How could I be like this?

Awful.

Why did I...

I should be the one quieting down!

No, it's me...

Chigusa,

You don't need to say anything ...

What

Rakan?

Huh?

How can you blame yourself? I'm too much!

I've said it before,

I came to Amato Empire of my own accord!

Chigusa, you've done nothing wrong at all!

Rakan,

But...

Don't 'but' already!

?

?

to stop the Prince!

More over

I came here,

Wake up!

I never wanted you to ever say such things!

I... I...

Don't kid with me!

Quickly wake up!

Chigusa, you...

this is all my own doing!

You've never... did anything to me that you need to apologise about!

Huh?

What?

Sanome-same!

But,

I don't care about the Prince in the palace,

I came,

because there's you, Narushige, Kou and Touji!

I like you guys the most, so I came.

Whew

What I mean is, I chose you guys!

Hmm?

Under-stand me?

?

Huh?

What?

What situation are we in?

Rakan!

!?

Those are 'birds'?

Oh, it's going to give way soon.

Rakan, come here.

Hey, is it the roof?

What is that noise?

Go quickly.

Did all of you understand?

*(person who was picked)?*

# 被選出來的人

Eat them.

You only need to eat the three of them.

Eh?

The ceiling ...

!?

Living?

Ah, this is a living creature?

Yes, with hostility.

'All' of those.

Those are birds?

Or leaves? Or stones?

Those things will return

Mm

That thing...

Where must we cut to stop it?

The head and body won't work.

It seems I have seen it before.

It can't be stopped.

Keep.

Wah

Every one except you.

Eh?

They want to kill us?

Karaku!

Ka raku!

!

Mm,

Nets don't work too?

That cannot stop them either.

Stop!

Why are you suddenly doing this?

Grab.

Karaku, quickly stop!

Those are birds that cannot die.

Release, holly, yamabuki!

She definitely has a reason...

But..

Look how bad it's become!

It's Karaku who's controlling the birds!

Don't say anything more, Yuuta.

I am a 'freak'.

Don't go near Karaku!

Uncle!

Keikou, you back off too!

She's a freak!

It's that girl over there.

'Karaku'?

Nn

Touji, come here, lend me that.

Back off, Yuuta!

That is already like a freak!

She can only speak with birds!

It's only her hearing that's better than others, right?

Karaku is not a freak, calling her that is too much!

Only that her ears are good

No powers or weapons,

She's a normal girl,

No,

'Freak'? That girl?

TINI

hat's 櫻花練習

'Why'?

Like I said just now,

if I make the Sanome stay here, the days here will pass better.

Mother of the children, go over there,

it's dangerous here.

Karaku

Cut here.

Ok.

Why do this kind of thing...

You're not a 'freak'!

Karaku, what happened to you

Why not use him for our own benefit?

'Sanome' is right in front of us...

Thinking what the future will be like...

we should, let ourselves live happy and full lives, right?

They won't care about us no matter what the Prince does.

We don't know anyone there.

But, the palace is so far.

You say the Prince in the palace is an ayame who feeds on people.

I've seen it.

Karaku...

You...

Karaku...

No, she is selfish, but...

Are you only thinking about yourself?

You're too selfish!

Just like Harubi.

There will be a day when we will wither and die.

I don't want that day to come.

Whether or not the Prince's vision will come true, this world, is already ending.

!?

The sound of wings..

Karaku, no, you can't, stop!

Right!

Rakan, take this.

Mm.

They're coming back!

Stop the birds, Karaku!

Souta, don't say any more!

I'll just get this criminal directly!

I beg them to stop.

Yes!

O K

Wah, Chigusa, quickly stop him!

Who osh

ドサッ

……

!

Well done.

ヴヴヴ

!

!?

Mm.

It's better like that.

Kill them!

It's easier to attack this way.

You guys better escape!

Those birds...

broke up and became many small ones.

Stop on the branches.

You can eat the fruits if you want.

I cannot be without them.

Please don't eat them, okay?

Those fruits look good.

How?

What big branches, definitely won't break.

ばっさ

ばっさ

ばっさ

Sorry, please don't move.

Mm

Is this fine?

That guy

Oh, Karaku.

Let's have a good chat.

Wah

This is...

Natural behaviour.

.....

It's fine, uncle!

That's dangerous! Don't go so near her...

Listen to what she has to say first.

Eh?

Sanome sama!

Agreed

That's a natural action for him.

Sanome sama!

Fine?

Then, wait there for a while please.

Nn!

Are they tasty?

They said the fruits are tasty.

Of course...

They're all good people,

not caring about my appearance, treating me normally

Yuuta

Always.

Because my ears were not like a human's

I was abandoned,

Father,

Mother,

And they didn't give me a 'number' name.

and they took me in

Sanome-sama.

I...

for them, I'd do anything!

!

living here is a good thing!

As for Sanome sama,

It means everything to me!

please stay in this village!

She did this,

because of all of you.

Karaku,

You said, 'it's for myself',

but you wanted to save this village, right?

you were thinking of every one, right?

you actually want everyone here to live blessed lives.

Because...

Ka
raku,

listen
to me.

Firstly,

I'll build
a bridge
where the
land
split apart.

And
make
the
nearby
land
green too.

I will make
this village
and its
surroundings
green.

If I keep
on moving
forward,

the
green
will
continue
to
increase.

So,

moving
forward
with a large
scope is
better.

.....

Like this,
the
people
here,

and you;
will have a
wider
scope of
action.

What I
mean to
say is,
everyone
can walk
more
freely.

'large
scope'
?

Mm.

.....

In this
kind of
desert,

going to
the palace
far away,

stopping
Kinrei and
the ayame
Prince,

is not only
dangerous
but gruelling
too.

Sanome
same!

!

.....

.....

——

So I will definitely do it.

I came to this world for this very purpose.

More over,

I'm not alone so it doesn't matter!

Such a gruelling task,

but yet he can say it so lightly.

I'm sorry, but...

Um, so,

Let everywhere the people go be green.

I will let the people here walk in an even greater world.

I can't stay here.

Mm...

and the reason for the desert is the Prince in the palace.

Mm.

and the desert is the biggest reason right?

And,

Right now this world is dying,

Of course, including this village.

So if I stop him, the green will keep on spreading,

and this way the world will not come to an end.

Such a huge matter, and he's making it seem so easy

.....

'The world,

will expand'

....

Not only

this village ?

'God's Child' ...

I won't let this world end!

So please believe in me.

.....

.....

the world means to him..

must be what

This village to me,

Then this person

is the real [ Prince.

is he really an ayame?

Prince in the palace,

yes.

Mm,

Umm .... That ...

Mighty ....

Magnanimous person,

So this is... the Sanome ?

Ah,

this kind of person...

So,

she did this kind of thing?

It's too pitiful for the Sanome-sama to face such a dangerous situation

More-over,

So like this, in this village,

living an ordinary life, is less stressful right?

heard, just now, what I

was talking to the Sanome about.

even with the number of people increasing, we can live a more fruitful life

Yes! With Sanome-same here,

Hmm,

Sorry.

I'm too selfish,

doing something so offensive.

I can't...

selfishly use this person all for myself...

Sorry I made you eat those sleeping drugs

Yes.

Luckily no one got hurt.

Don't do it again, okay?

...really, this fellow!

...sorry!

No...

She's too selfish!

It's too much

Karaku's way of getting the message across was different!

Even so,

Same as Karaku.

What I wanted,

was for the 'Sanome to stay here'.

I think,

we are not that different.

Karaku definitely ....

You're too soft on her!

Souta!

I will scold her well

Can you forgive her?

Every one else too.

He said you're not like you were before.

When we were washing up just now,

He wanted me to set you aside and talk.

..ike you are a bit uneasy; depressed?

Narushige talked to me about many things.

Mm, I'm keeping watch

Utaraku's birds said they would keep an eye on this place

So you can rest.

What about you, Rakan?

We know

please forgive her.

Sorry, but every one,

That ...

commotion just now has made me restless.

Chi- gusa.

But first, I want to ask you, Chigusa,

The two that were woken up by the noise but can't find a reason to get up.

The mor- ning is fine

*I've been too careless!*

Yes, I said that,

but I didn't mean chat in the middle of the night!

Rakan.

You're not sleeping?

What to do...

Then don't!

No...

Huh?

So you're willing to let me go?

..really?

Not letting me go in this situation is fine!

Don't let me go!

I will think of a way.

Mm.

Ah, he's angry

Yes.

Chi gusa,

I want to tell you,

Man

you can do a lot of things

You said you entered my dream?

or is it that he doesn't think hard about important things?

When he doesn't know what to say, doesn't he have his own will?

Why is he so frank?

Ah, geez, why is this person...

Actually, I wouldn't say I want to go.

Not exactly...

Sigh.

Yes...

Good, and,

I got it

understood ?

From now on please don't enter my dreams!

I may unknowingly have some strange dreams,

*can't be controlled*

dreams are also a private part of one's life.

if I'm not here, what will happen to you?

How should I say this

Think about it first!

Hey,

Chigusa,

If I say I want to go back to that world, will you let me?

.....

Oh oh ...

Because, as you know,

I *am* from the 'family of monsters'.

This...

這個人真的太可憐了！

(This person is too pitiful!)

My God ...

I have a short coming...

For those people I like,

I don't dare to expect anything from them...

*But you really are*

Ah, sorry, I scolded you 'stupid'!

would feel the same way, Chigusa!

I...

See, stupid!

I would be heart broken.

No one likes you?

is it that you think...

Chi gusa,

He's shocked!

Uwah...

How should I describe such a feeling...

Uh

Only...

I can tell.

If someone is nostile, has good intentions or other emotions,

...No....

I also like you a lot so I came to this world.

I wanted to be together with you.

Believe me.

Please under stand.

Ah, so I've said it...

Chigusa,

Is this 'expec tation'?

Feel free to like me too!

I won't ever leave you,

so you can relax.

feel..

Listen to me, Chigusa ...

This person excels in many areas.

Oh...

Now...

Now he has an expression of an abandoned child...

Chi gusa...

all like you very much.

It won't change.

You can have expectations..

Narushige, Touji,

Kou, Kuro,

What you said to me in the middle of the night,

I would think that I was having a dream.

Happy until my heart hurts.

I'm so happy.

painful until it's happy...

My heart is so painful...

Then let's go to sleep, Chigusa.

Can't be helped?

Mm

Then say it, why are you depressed?

It can't be helped anymore.

Very good.

Understand?

Nn.

Then let's exchange places.

You will believe it tomorrow?

This will act as proof?

Oh

What a pitiful person!

Yes.

For proof.

Proof of what?

I'll sleep over there.

Eh?

Rakan,

I want you to sleep here.

You want me to sleep at your area?

Mm, yes.

You say it was a bird from the palace who gave it to you?

The bird said to 'give it to the nearby village'?

Eh?

a 'bird' ...?

Some one gave it to you?

Who was it?

They haven't slept?

*Sounds like they're happy.*

?

It's the Prince and the others...

Then let's just sleep together ...

That won't do!

Can't accept it.

Oh yeah ...

That packet of sleeping drugs,

where did you take it from?

If there's medicine that can be used to treat, please get it for me too.

Pine leaf,

Ah, sorry, d d we wake you?

Uh, not really

Pine leaf,

help me find that bird.

I have questions to ask it.

Give 'sleeping drugs'?

Just one packet?

still thought,

it was like normal; that it was from the empty village

So it isn't as per normal

The sleeping drugs have decreased?

Seems like it...

Unless a bird came in through the window

There's only me now as well.

And only Kinrei sama can enter this room.

But... The Prince has been asleep all this while

Am I being too suspicious?

'from the palace'?

It's not as per normal...

Almost ....

I should add the medicine ....

大家好！第10集了。
感謝看到這一集的所有讀者。
並不是因為第10集我才這麼想哦，
我想從這一集開始回想前集所說的
「幕後花絮」，這樣就不愁沒題材
可寫。有種「怎麼沒早點想到！」
的感覺。
那麼，首先來回想第一集。
第一集……
我回想了一下，
可是，沒什麼花絮。（企劃全倒）
之前我在『PAHL』的採訪中說過，
新連載的第一話慘遭骨鐵盧（只有
一格被稱讚）。故事全部更改重畫
了，所以只有滿滿、滿滿的回憶。
而且，這些滿滿、滿滿的回憶不知
為何還出現了很多繃帶的伏線，真
的是很想咒罵自己「你在幹嘛啊」
的回憶。
好殘忍的企劃。

A hybrid of plant and stone?

It's not natural, that's certain.

It's man-made.

「樹」？
「石頭」？

This is...

a tree that grows 'stones' .?

This world

This kind of thing can be created' ?

.t's very similar to Yoru aki's room.

Seems like a research study .

A room ?

.....

There's a distur bance!

!

Now I no longer need

the Prince any more

It's similar to the 'light green scroll',

the same way it was encrip ted...

Can it be that...

a long time ago there was also a prophecist?

This book ....

With this alone even *I* can make prophecies.

With

this ob ject,

So it's like that.

It's the same as the Prince's vision...?!

Seems about a thou sand years old...

when did it come to be here?

A book of visions?

Th s s

The Prince's

but it is almost exactly the same as the Prince's vision

Alt hough it is in bits and pie ces,

but the con tent is the same.

The way it is expr essed is diff erent;

How can this be possible ?

?

What's written here ?

What are you doing here?

Things seem to be bad on the surface.

But,

I am unable to offer any help.

.....

What are you attempting to do?

The real Prince, is still far away.

You should know this, right?

Son of Kingen.

!

...Huh?

The Prince in the palace is a 'bad thing', right?

Tro-uble

You are Pearl sama?

Shi-geka's fort

This is...

.....

How did you know it was me?

Maybe it's being in this rock, waiting for such a long time.

and hear things to a certain degree as well.

I can see things to a certain degree,

You're a son of Kingen?

No,

I am Unoana.

You...

Black Ray!

Clear Sky!

Blue Square,

does not have man kind's wishes at heart.

I think, what ever path you are on,

Have you lost faith in your self?

I'm trying to find the desire to live on.

What in the world are you planning to do?

The golden thread ....

You are of the race that rules this world.

I don't want to...

...No,

perish with the 'world' and 'man kind'.

That merely is...

My personal interest, which is to accelerate the death of the world.

What purpose might that be?

I'm just doing right what is purposeful to me.

Eh?

You always make effort to wear it,

so, I thought you wanted to go back.

That outfit,

.....

I didn't mean much by saying that.

It's a common thing I say quite often.

Even when I'm doing something I like or enjoy

Oh.

that he said so much all of a sudden.

it's due to this,

So,

Ah,

my high school uniform?

In the dream

Um,

this set of clothes...

as compared to when I first met him, is more...

Chi gusa

always feel that ...

Anxious

Mm.

I was thinking so.

Mm,

yes ...

But we thought it was due to exhaustion.

So ...

Oh

Of course, it was due to the sleeping drug...

Why?

Didn't you faint?

At this time you better rest well

I also get tired in the other world...

Sometimes I will catch a cold too.

Don't need to be too concerned.

Sorry!

Those words too ?!

Are you really right?

You also said something about killing stress?

Misread what I meant.

Eh?

You guys also thought I had regretted?

All of you thought so?

I think that it's no use being regretful,

I just have to take it as the next step.

Not a doll...

Even more so,

Since I am a person.

not having any regret at all would be strange.

I wear these clothes to signify,

determination, promise,

I've already decided,

I will put in all my effort in this world.

and to remind myself NOT to forget the past.

So, from now on,

I decided not to regret coming here.

And so as not to leave the people in my other world behind in vain,

You wanted to abandon us so you left ...?

as well as my friends...

I always wear this so as not to forget,

things that happened in the 'other world'.

can't throw them away

Mm

Yes,

I can only say, I have just one body,

I can't live in both worlds, and that is reality.

Rakan ...

No, you need not apologise!

I don't even have a shred of regret would be lying, but...

To say that,

I feel that,

This... is something should not forget

I can't understand Rakan very well,

Sorry ...

because I'm clouded by my own emotions...

Should be able to te if he wanted to go back or not.

by relying on instinct ...

Aren't you able to see through people's hearts?

So even you can get anxious.

How unexpected.

Tie

Really?

Mm.

Yeah.

What are you doing, apologising?

more like a human?

That seems,

The me last time,

is also me.

The me that grew up in the other world,

is also me.

I actually belong to this world, but...

花降る

is 'me'

He definitely,

The 'me' I have no memories of,

Thank you

but it really does suit you.

Those clothes.

So that is the reason,

So I wear it.

like to study.

so when I wear it I feel more spirited.

More over,

This is the uniform I study in when I'm in school,

This is so wonderful

That's good.

No worries.

I understand everything.

Mm,

Do you understand, Chigusa?

What he's thinking of.
Big Bird GACHAPIN'S ally

So big, so cute.

They existed from before?

Those feathers,

Hello

Hmm, seems to have existed since my father's time.

Ka-raku said so.

I heard it has always roosted in this area.

are really leaves, huh.

Ah, what a long life

No, wrong, they can't die.

So amaz ng.

These birds,

No, do they have in visible threads attached to them?

Like a doll made out of twigs and leaves.

A creature made of stones and leaves?

They are indepen-dent creatures.

So they won't die no matter how much Nanush ge cut them

but they were shaped with just 'power'.

There's no blood line,

They're not the same as those man-made 'stone puppets'.

Oh.

That's right, my emotions, are still not enough.

'more like a person'

He's so happy ..

Let's go.

Mm.

On guard outside

Ah, big sister

Mor ning.

Morn ning, Kuro.

Let's set it up.

retur ning to my orginal state,

Could ...

become a more complete person?

As compared to when I first met you,

Really...

you're a lot more like a human, Chigusa, that's great...

about the ayame prince in the palace,

What I mean is,

Eh?

if there's anything you can let us know.

Birds with the same name, can communicate in their minds, so,

Ah, so it's like an incantation.

How sci-fi ...

Prince same,

There's a definite 'language'.

'language'?

When you say it with their names, they will respond.

Their bodies will create a response to a certain language, whether or not they are separated or together.

Kaoraku.

please tell us.

If, there's anything we can do,

But, is it really okay for us to take it away?

Mm.

Wah, so cute!

Mm, yes!

could you...

take this child with you?

And help lighten some of Prince-sama's burden.

To not let this world perish, we hope, we can be of some help.

This is a part of the bird called 'mahogany',

it is also called 'mahogany'.

*Please raise it carefully.*

*It can also keep watch.*

has vanished

the out of place feeling

In the other world,

There are things everyday,

waiting for me to go and do them.

already vanished.

Sorry,

I know this cannot be resolved with one sentence.

I also feel lonely,

I also feel sorrow,

I also like you guys.

Thank you ...!

don't care about the Prince in the palace!

呼

unbelievable.

.....

It's deter mination, it's promise.

It wi cont nue growing for a whi e

The tree is getting taller!

Wah

Because it was planted by Sanome sama.

It's ta er than before

Oh yes, sho uld also ...

They're chatting.

The birds that are bigger, also have a stable perch.

Karaku, what are they saying?

I de- cla re war on you ...!

Rakan...

Prince,

Because I like you guys,

so after I 'threw you guys away' and came to this world,

I will work even harder,

make this world green,

and let you all see,

what I have done.

I only have ...

one road to walk on...

The 'tree of song'.

Long ago things have been revived.

they existed when there were 'for ests'.

Ah, yes,

Such a lot of gree nery....

It's been a long time, huh?

They're saying,

'it's been a while since we had such a big tree to perch on.'

They're all very happy.

almost like singing...

so hap py...

They're all... very happily saying so.

And the birds' chirping noises.

en- twi ning...

and other branches,

Branches...

what I can give you.

So, I've been thinking...

Rakan, you've given me many things.

From now on,

I will...

All my memories.

work hard to get my memories back.

My emotions,

are still not complete.

Rakan,

I still have limits.

....huh?

What?

have something to tell you

Eh?

Can I take up some of your time?

How rare.

Mm..

Have you awoken ?

?

Nn...?

Rakan.

Eh?

give you something.

I also want to...

a LOT.

Since this morning ....

I've been thinking...

Really quite rare

Of what?

'thinking'?

(sit up

I also want to give that 'me' to you.

But wait until this creature,

has be come more com plete,

I am also yours,

Now,

I want to give my life and person,

all to YOU.

So I must remember all my emotions.

I must be more attentive ..

I my self can't take it...

I my self ...

So,

I'm unable to notice the small things.

Sorry...

Become a com plete 'me',

then ...

and give you as much as I can

go back to who I was 'before'.

Regain my memo ries,

about those things that matter to you

think more,

Think about your things,

Then,

give it all to YOU.

(What is he trying to do!)

伯爵弁騙的！

And a pretty boy one at that!

What an imposing figure...

so very sincere.

He's ...

so very ...

with all his might ...

Thinking of what to give me,

Thinking with all his might

The whole of today ...

He was thinking all about this!

What ...

How?

our relation isn't that good?

be-tween the two of us ..

Since it isn't yet...

Not yet.

Then...

Ah, how should I reply this?

Do I rea-lly have to?

Ooh ...

Thin-king so serious-ly,

too seriously!

I can't think of what else to give you ...

Sorry,

other than this,

Can I...

give this to you?

Uwah!

said he wanted to give himself.

Heck with it, he was the one who

Ah, I've had enough, I don't want to think so much anymore.

I accept.

Okay, I got it.

(said it)

豁出去了。

No, this sounds too weird!

.....

More impor tantly,

t's like mak ing a per son sound like a thing

Why is it that I ...

But, is it possible to give your self to some one?

Is it be- cause it's a foreign world?

Can a person be received?

Then he was th n king about t for a wh le!

OH

No, he said he was thin king about it 'since morning'

*Said it just now.*

Did you even think this through? s there some- thing wrong with you?

Uh

He said it so seriously, so I *have* to reply

He's waiting for my reply!

reply we

Uh Uh

Um

want him so badly?

Yo,

a 'number child'?

are you called Sae?

I don't mind you using me as your bed.

Definitely not!

I'm sorry, d d we wake you up?

Not really

I cou dn't sleep

Deja-vu.

Ar ya?

What hap pen ed?

Hey, you...

it shou d be the one who rece ved who thanks.

Thank you.

Then,

Mm.

I will try my best to think.

But

About mportant th ngs.

He said it...

said it b unt- ly eno- ugh

Why does that guy se ze the chance when we are asleep to ask th s?

said it...

Can't be that diff erent from now.

Per- haps more se f centred

the Chigusa before losing his memories,

what was he like?

Ah'

Rakan,

Then you s eep too,

Mm.

Then sleep.

since we have Mahogany to keep watch

Sorry, I woke you up.

No worries.

Mm,
but,
Really?
I can consider it.
But, your wish seems fun,
she shouldn't scream.
when she sees me,
*What do I dare to reply...*
She definitely won't care
Definitely no problem with that!
...Really?
Then, should I have said my name from the start?
Mm.
Rules?
Yes, those are the rules.
Then you cannot be used as a sacrifice.
Eh?
Ah, yes.
Yeah
Ah, so it's like that ...
I have to eat young, pretty flesh.
I don't like eating number children.
I will get sick if I eat.
Ah, yes.
Sae,
*This child,*
open that box.
*is interesting...*
so you can't fulfil the wish of 'becoming my mother's friend'?
Then,
Since I can't be used as 'a sacrifice',
Ah!
Um...
Who decided them?

Though he's quite in different.

It's scary when he speaks ...

But, he seems gen tle ...

Excuse me...

Narushige onii sama, did he...

live here all by himself?

Lo oks like such a ...

HU GE sna ke ...

Yes, thank you!

Flower print.

Brother wore them ....

Flower print.

Flower print.

Try them on.

Those were worn by Naru shige when he was young.

How beau tiful.

They're kimonos.

Bro- ther wore them ...?

But, these are all female clothes..

That's right, but they suited him well.

Doesn't mind a bit.

Ah.

He seems quite happy

That child talked too much.

But that was good; made it less boring.

But, Kou was very noisy.

Yes, quietly reading books...

often stayed here,

along with a knife snake called Kou.

Choose those you like to wear.

Sae,

Your kimonos look too poor,

Seems like I can under stand now

Ah, that's why he naturally emanates that grace.

You even gave me beautiful clothes.

And not consider me a sacrifice, so if I could do anything ...

*You even said you'd be friends with my mother.*

I cannot replace my brother,

but you didn't kill me.

!

Quieten down, Sae.

Eh?

Um...

My ally's voice has suddenly disappeared.

This ...

Eh?

Because Narushige onii sama left.

Eh?

are you lonely?

Then, now,

!

I did not realise...

Ah,

Ah,

Excuse me,

can I do anything to help in that area?

Eh?

You're right,

This ...

is called 'lone-liness' ...

I'm called Black Ray.

Very good.

*Kinrei-sama.*

This is 'Unoana'?

All right,

Done mixing?

Release him, Blue Square, Clear Sky.

What is your name?

.....

The rest come with me too.

Then,

We'll go back to the palace first.

We have found some-thing good.

Now,

I have to wake the Prince up ...!

That is NOT acceptable!

But,

I'm afraid I'll think it's a dream tomorrow...

After we wake up tomorrow,

Proof that it wasn't a dream!

we will act as proof for you!

like this,

Yeah,

Look, this is 'proof'.

I'll put it on top of the quilt.

it'd be strange if he doesn't remember.

要繼續Talk囉，來聊些朝氣蓬勃的開朗話題吧。關於第一集的花絮…已經想不出來了。有是有啦，但都是最好不要說的事！（這個企劃真的很殘忍呢。）
第一集就到此為止吧（……）
第二集、第二集…又是很那個的封面。我就是喜歡把封面，弄成表現當集內容的彩色封面（很像少年漫畫）。
我憧憬這樣的封面♡
有時間時，我會花一整天的時間重新畫彩色封面。（如果已經有符合故事內容的彩色封面，就會用那個。）
畫第二集封面時，有種「就這麼畫！」的靈感，毫不猶豫地以最快速度上好色交了出去，超滿足！可是現在回過頭來看，覺得有點像「詐欺廣告」，很對不起大家。有被騙感覺的人，對不起……唷，快把空間填滿了！這企劃真不錯。
下一集我會努力尋找更有趣的花絮。
那麼，這次就寫到這裡了。
感謝各位的來信和E-mail！
我都以感激的心情在看。
（也謝謝來信給我好幾次的人。）
那麼，下集見了！

And he said it so frankly!

He's beating around the bush.

Your intentions are too weird!

But, I want to sleep with Rakan.

http://ecbing.com 明華花傳說

I can't stand it!

Honestly!

.....

Who asked Naru-shige to ....

Chigusa, are you playing us?

So it seems!

Ah, he's really beating around the bush.

You're angering me on purpose!

Don't be rash, Touji!

I want to be under the same quilt as Rakan, and use my body heat to envelop him and keep him warm till morning.

Okay, every-one sleep!

Saying that to a girl would be sexual harrasment!

Went in one big circle.

Even if I'm wrong, just shut up!

Heard it all.

Seems like fun.

Yep.
